

Dhamanah

Law Firm and Legal Consultations

Profile

“We have to strive for inclusiveness and justice to achieve the greatest prosperity”.

**His Royal Highness Prince Mohammed bin
Salman, Crown Prince and Prime Minister**

Dhamanah was established drawing on a wealth of long years of legal, judicial and administrative experiences and subject-matter expertise of the co-founders.

The brand identity of Dhamanah is derived from the vision of the co-founders of the main goal, which is guaranteeing rights through quality, efficiency, transparency and clarity in the services provided to clients. Equally important, this also includes constant care for client interests, while providing all professional and specialized expertise gained by the co-founders and the team members in protecting the rights of clients.

Vision

To make Dhamanah one of the best legal references and entities in the Kingdom of Saudi Arabia and the Gulf Cooperative Council (GCC) countries.

Mission

To provide legal services to a wide range clients in line with the best local and international practices to ensure optimal legal protection.

Values

- › Providing services in line with the highest standards of quality and professionalism.
- › Maintaining client privacy and confidentiality of data and information.
- › Observing and respecting legal systems and Sharia principles.
- › Transparency and integrity in the services provided to all clients.
- › Evincing and seeking continued development and improvement.

Key Goals

- › To maintain a high level of professionalism, efficiency, and subject-matter expertise displayed by the team members, including attorneys-at-law and legal advisors.
- › To constantly provide the best legal treatments for clients.
- › To foster legal awareness in society.
- › To provide a positive and motivating environment conducive for the team members and administrative sections to better achieve the highest level of performance and quality.
